Sports Reports

Soccer – Barbara Banes

Signs at the field need to be updated posting that there will be no dogs allowed. Barb will check with the Township to see what/if any ordinance says regarding the law. Once we have confirmation Barb has been given permission to make a sign that states “No dogs allowed.” We will also be making a sign to post “Emergency Access. No parking allowed.”

Invitations for the soccer bash were sent out. The party will be held on Sunday, November 13th.

Families are being asked to donate a food item. There will be some play time, food and drink. Parents will be asked to help put the goals away. \$1 will be collected to cover paper products.

The concession stand and the raffle generated \$1,126.18. The concession stand will need an electrical update before the next season. Tom Ostenfeld has volunteered to run the concession stand for next year. He has asked for help for the finance and volunteer portion.

Field Hockey – Joe Flynn

The season has finished and was a success. There was a total of 13 girls that played. Joe will close out the season at the league meeting on November 29th.

Basketball: - Dave Beaudoin

Signups have started. The original deadline was this past Friday, but we have extended it to November 16th. The current registration is 24 people. Dave will be sending another email to the 7th and 8th grade players to encourage them to sign up, and leave it open so that the middle school players can still sign up for rec after the middle school tryouts.

Dave is working with the league on the scheduling including black out dates. The FOBs for the building need to be logged so we can get back any outstanding FOBs and activate a new set for the season.

The practice schedule needs to be coordinated. The FTYA will now have the early slot on Thursdays. The existing adult basketball and volleyball teams will have the late slot on Thursdays.

There have been many parents that have mentioned that the signs promoting signups were beneficial. We are looking to see if we can have a few sturdy signs made that can be generic indicating “sports” signups and list the website.

Baseball – Lee Ivanitski

No report on baseball at this time.

Softball – Mike Kihullen

No report on softball at this time.

Fundraising Coordinator – Theresa Buniak

Theresa presented an idea for spiritwear. We can create a website that people can order a variety of clothing articles. There is a profit of \$2-3 per item. We are also investigating other options such as selling pies and cakes; drawstring bags; and discount cards. We have the capability to sell spiritwear on our registration site. Mike will give Theresa the information.

Safety training will be held on December 1st 6-9pm and 3rd 10:30-1pm. This is mandatory training for all coaches. The FTYA will mandate that all head coaches take the training and will strongly encourage that assistant coaches and other parent volunteers take the course.

Executive Board

Unfinished Business

New Business

We WILL be having a December meeting.

Alan will be inviting people from the adult basketball and volleyball leagues that use the backroom. We will be asking them for a \$50 per person fee to play for the entire year. Bridget will develop a form for outside groups to register to use the back room. She will also write up a description on how to present the fee structure. Alan will invite them to the December meeting so we can answer any questions they may have.

There is conditional approval from the County to move forward with the bids. The Committee is waiting to receive and review the final drawings so the plans can go out to bid. This is scheduled to be decided on at December 21st meeting.
