Sports Reports

Soccer – Barbara Banes – No report

Field Hockey – Joe Flynn

Jim Schlessinger has volunteered to be the field hockey coordinator. Joe will transition and Jim will take over in time for sign ups.

Basketball: - Dave Beaudoin

We currently have 64 kids signed up. That number is about 5 less participants than last year. We still need a coach for the instructional level. The program is slated to begin in January. We will wait until later this week to decide on whether to cancel the program.

Preparations are being made for a holiday tournament on the Mon-Wed between Christmas and New Year's. Several other town teams will participate.

Uniform sizes were not indicated on the website, so uniform size selection will need to be done by the coaches. There are some additional participants who would like to play on the 3rd/4th level. As we do not have a full team and the coach accepts it, they will be allowed to participate.

Baseball – Lee Ivanitski & Ed Casey

Try outs will be in February. Signups are targeted to start January 1, 2012.

There is a baseball clinic that has started with Warren Hills little league. Franklin students are welcome to attend the sessions. The cost is \$A40. And takes place on Saturday afternoons at 4-6pm.

Washington Township has asked that they use our pitching machine. A motion was made to allow the other Township use the pitching machine during the clinic as long as our coordinators were present. J 1st J LaFrance, 2nd B Klosinski. Approved 10/0.

Softball – Mike Kilhullen

No report on softball at this time.

FTYA

Fundraising Coordinator – Theresa Buniak – not in attendance

A discussion was had about asking the question if people would want to buy a sweatshirt with the sports logo and name on it. We can use that to gauge interest. The sweatshirts made a reasonable profit.

Trustees

Alan K.

Alan spoke with the Women's Volleyball and the Mens Basketball teams to inform them of the \$50 fee to use the back room, as well as the update in the scheduling to avoid conflicts with the FTYA. They will use the online registration. Their coordinators will need to monitor the registrants. The FTYA will also monitor to make sure that everyone registers.

New Business

There has been a discussion on the Township committee to open the up the Municipal Building back room to more general use on off times. Ideas to be considered would be open gym, movie night, etc. this would start sometime in 2012.

Regarding the Smith ball fields, the drawings are finished but it was brought up that there are about 35 sinkholes that will need to be addressed when the fields would be constructed. The bid needed to be revised to accommodate fixing the sink hole issue.
